August 2010

A message from da Prez:

"Last meeting was a whirlwind wasn't it!. It'll settle down in the future, I promise. We were so rushed I didn't even get to give my little acceptance speech (lucky you).

I wanted to talk about "The Payback Hole": that little part of you that recognizes, with maturity - not age, that you owe others; that you didn't get where you are all by yourself; that you are the recipient of the efforts of countless others who came before you, ... plowed new ground for you, fought for you, and sometimes even died for you. You are in debt to those others for what you are today. You owe them for their sacrifices, and there's only one way to settle the debt. The only way you can repay that debt is by helping someone else. That's "The Payback Hole" and guess what: that's Lionism.

Hold that thought: we'll talk more later...

Lion Tom"
